

How to put a book on HOLD

This year, we are excited to have a new feature to our library book checkout system! From a classroom computer or from your home device, your child can place a book on hold to be delivered to their classroom. Please see the details below that outline the procedure to place a book on hold.

***Firefox is the preferred web browser.**

- ❖ Go to www.destinydiscover.com
- ❖ Location – Louisiana
- ❖ Schools in Louisiana – type Pontchartrain Elementary then click GO
- ❖ Click – Login – It is in the top right corner.
- ❖ Enter the student’s username and password. This will be the same username and password the student uses at school to log onto a computer.
- ❖ Make sure it says welcome and then your student’s name.
- ❖ Type a book, author, subject, or keyword into the search bar.
- ❖ Once the book appears, look in the top left corner. Make sure it says “IN” before choosing to place the book on hold.
- ❖ If you want to place the book on hold, click the hold button.
- ❖ Mrs. LeNormand will pull the book and deliver it to your classroom.

REMEMBER

- Students are allowed to check out ONE book at this time, so you can only put one book on hold.
- The book will be delivered to your student when it becomes available.
- Books are due two weeks from the date that they are checked out to your child/student.
- Upon books being returned, they will be quarantined for three days. We ask for your patience in this process.
