A Tradition of Academic Excellence

Dear Pontchartrain Parents,

I hope this finds each of you and your families well as we transition closer to the start of the 2020-2021 School Year. Words cannot accurately express the shared sentiment of our Faculty and Staff as we prepare to welcome our PES Eagles back to campus. We are collectively looking forward to positioning our students for an amazing year of learning and growth as we celebrate with this school year's theme... "Where Dreams Come True."

Parents, I want you to know that while many of our school based building procedures have been amended to support the State's Phase 2 and Phase 3 guidelines, the shared focus of our Faculty and Staff will continue to remain fixed on educating the minds and empowering the hearts of our PES Eagles every day. Please know that your child's safety and well-being is our shared responsibility and PES will rely upon your continued partnership, flexibility and active support as we work together to navigate this school year and ensure our students succeed.

PES will continue to be an impactful school that meets the needs of our students and our families through our shared efforts. As this school year's theme centers around dreams, I am firmly reminded that every child represents the immense potential of today and the resounding hope for a better tomorrow! Parents, thank you for entrusting your child to our care and for actively partnering with us in your child's learning experience.

PES Eagles Always Fly High
